

LEGAL NOTICES

Continued from B7

Salmon River from mineral location and entry to protect a historic mining site. This project is located on the Salmon/Scott River Ranger District of the Klamath National Forest: Township 10 North, Range 8 East, Section 8, Humboldt Meridian.

The EA analyzes the environmental consequences of the no action alternative and the proposed action. The EA and supporting documents are available on the Klamath National Forest's project webpage at: <https://www.fs.usda.gov/project/?project=52610>.

This project is not subject to administrative review (objection) pursuant to 36 CFR 218, Subparts A and B, because the Forest Service does not make the decision whether or not to withdraw the site. Individuals or representatives of an entity submitting comments must sign the comments or verify identity upon request.

The Forest Service will accept comments on this proposal for 30 days following publication of this legal notice, which is the exclusive means for calculating the comment period. Commenters should not rely upon dates or timeframe information provided by any other source. It is the commenter's responsibility to ensure timely receipt of comments (36 CFR 218.25). Commenters should supply full citations to all referenced literature, and the Forest Service reserves the right to request copies from commenters of any literature cited but not provided with comment letters.

Submit electronic comments to the Klamath National Forest's project webpage: <https://www.fs.usda.gov/project/?project=52610> by selecting the "Comment on Project" link in the "Get Connected" group at the right hand side of the project webpage. Attachments may be in the following formats: plain text (.txt), rich text format (.rtf), Word (.doc, .docx), or portable document format (.pdf). Written comments can be submitted by fax 530-488-1290 or mailed to Ruth D'Amico, ATTN: Danika Carlson, 11263 North Highway 3 Fort Jones CA 96032, or hand-delivered during normal business hours (8am to 4:30pm Monday-Friday, excluding holidays).

Comments received, including the names and addresses of those who comment, will be considered part of the public record on this proposal and will be available for public inspection (40 CFR 1501.7 and 1508.22; Forest Service Handbook 1909.15, Section 21).

For more project information contact team lead Danika Carlson at 530-488-1225 or
